COMPANY

Our Romanian company DVSE RO is part of the TOPMOTIVE group, Europe's market leader in catalogs, information and ERP systems for the automotive independent aftermarket, since it's foundation in 2008.

Together with our German partners, we develop complex software solutions for wholesalers and manufacturers of vehicle parts as well as repair shops. Under the TOPMOTIVE umbrella brand, we are able to work on our own independent products and act creative and innovative.

Are you ready to join our exciting and active team?

With us, you will have the opportunity to work in a friendly environment with professional colleagues, embrace the know-how, develop, create and innovate and last but not least, be part of software projects for the automotive market.
